

# PB-0375-01

in Grommet Bumper B

RPM's rubber recessed bumpers are used to protect doors or truck bodies from damage. They are also used as feet for large vibrating equipment.

RPM's rubber bumpers are a low cost way to provide a rubber break for many different applications. They provide a great way to protect and isolate any two surfaces. If you need a special size, contact us and see how we can help!

## Specifications
